

Registration Process for current 8th graders:

Attend the 8th Grade Parent Night Presentation, Feb 22, 2017 or March 2, 2017 (newly added date), at 6:00pm.

MTHS Counselors will be visiting the Middle Schools Feb. 27th – Mar. 2nd to discuss the registration process with the 8th grade students.

Discuss with parents/guardians if you want to take an honors class - Honors courses are rigorous and require daily homework. If you are interested in Honors, you will need to sign the "Honors Commitment Form" and attach it to your registration form. [Honor Commitment Form](#)

Choose Classes - Choose one class from each core subject area. Choose Electives and Alternates. Clearly write course codes and course titles on registration form. [Note: Students on an IEP (Learning Support) or who are ELL (English Language Learners) will have their core classes selected for them by their teachers.]

Get Signatures - Math classes require teacher signature. Parent signature is required on registration form and if you are taking an honors class.

Registration Forms are due March 8th, 2017 to your Edmonds School District middle school counselor or the MTHS Counseling Dept.
