Skyward Family Access

Skyward Family Access is a tool for parents to keep track of student progress in school. Parents can check Family Access to find a student's schedule, grades, attendance, and other important information. An account exists for each family, which allows access to information on ALL students in the household who attend a secondary school in the Edmonds School District.

The screenshot shows the login interface for Skyward Family Access. At the top, there is the Skyward logo, which consists of three blue curved lines above the word "SKYWARD" in blue capital letters. Below the logo, it says "Edmonds School District" in a smaller blue font. The main login area is a light gray box containing two input fields: "Login ID:" and "Password:". Below these fields is a blue "Sign In" button. Underneath the button is a link that says "Forgot your Login/Password?". In the bottom right corner of the login box, the date "05.16.02.00.06" is displayed. At the very bottom of the page, there is a "Login Area:" label followed by a dropdown menu currently showing "Family/Student Access".
