Graduating Class 2020-2023
High School Credit/Grade Request for 7th and 8th Courses

Student Name: _____ **Grad Year:** _____ **Date:** _____

Students who complete high school level courses prior to entering high school are eligible to have those grades and credits placed on their high school transcript and applied to fulfilling their high school graduation requirements. A request can be made to add the credit and grade at any time up to the point of the beginning of the student's senior year. Please note that once added to the high school transcript, the grade and credit **cannot be removed** and will permanently be included in the computation of the student's grade point average.
